

# RIOTERS

INTELLIGENCE BRIEF

**IDENTIFIERS:** NO UNIQUE IDENTIFIERS;  
MEMBERS WEAR MIXED TACTICAL GEAR  
AND CLOTHING

**LOCATION:** HUDSON YARDS, HELL'S  
KITCHEN, CHELSEA

**GOAL:** SURVIVAL BY ANY MEANS

**ROLE:** LOW LEVEL ENEMY

Beyond the organized factions roam thugs and outlaws that now rampage through the city, rioting, looting, and assaulting any who come near them. Unafraid to wound or kill, they survive by preying on the weak. They roam in packs, hunting down easy targets and lashing out at authorities when they get the chance. Volatile and dangerous, they are a constant thorn in the side of the JTF and a steady drain on resources.
